The Japan Foundation London are delighted to present a Japanese Language Teacher's Seminar with Kazuhiro Isomura, Japanese Language Advisor at the Japan Foundation Cologne and developer of the *Erin's Challenge! I Can Speak Japanese* Web Edition.

There's more to the Web Edition of *Erin's Challenge! I Can Speak Japanese* than just free videos. This website features a huge amount of content, including Japanese grammar and vocabulary exercises, quizzes and games introducing Japanese culture, and interactive role-plays incorporating target language. In fact, there is so much content that it can at times be difficult to find exactly what you are looking for. This seminar aims to solve this issue completely by introducing the many ways in which you can use the Web Edition of *Erin* for effective lesson planning.
