

Second StepOutNet Training Session

On Thursday 7th June the JFLLC held the Second Training Session for *StepOutNet* volunteers. The centre welcomed 10 participants, some of whom already had a background in education, to prepare them for giving a Japanese language taster at schools in the UK. The participants heard a volunteer who has recently done a visit talk about her experience, and 2 volunteers who are visiting a school in London this week presented the materials that they will be using. JFLLC Japanese Language Advisor Shoko Iizuka ran a workshop on ways to introduce the basics, including fun ways to teach Hiragana, and singing to learn animal sounds! If you are interested in coming to the next *StepOutNet* training session (date tbc) please register your interest by emailing info.language@jpf.org.uk , or if you would like to find out more about *StepOutNet* please visit http://www.jpf.org.uk/teaching_stepout.php
