

2006 Japan Foundation Group Study Tour to Japan For Secondary School Teachers and Administrators, 1st to 15th November

We shall soon be inviting applications from full-time secondary schoolteachers, and from those working in the administration of secondary school education with previous teaching experience, to the Japan Foundation's annual two week Study Tour to Japan (Fully funded by the Japan Foundation). It offers a valuable introduction to Japan's education system, society and culture, aiming to deepen participants' understanding of the country and to enhance their teaching resources.
