

Yokohama Triennale 2008 appoints new artistic director

06/12//2006

Tsutomu Mizusawa, Chief Curator at the Museum of Modern Art, Kamakura & Hayama, has been appointed artistic director for the 3rd Yokohama Triennale which takes place in 2008. With the theme of “Time Crevasse” the aim of the next Triennale is to show how art not only has the power to shake up our everyday perceptions, giving us glimpses of the “abyss” created by different aspects of time and the various forms of individual and social differences, such as nationality, gender and religion that exist within, but also show how art can bridge these gaps so people can interact through them.
